

Lake Front lot

Own a 0.3 acre lake front lot at one of the cleanest, most beautiful lakes in Alberta. This serviced lot (#113 on the map) is one of the last frontage lots available at the resort, which is located only 1.5 hours from Calgary and 1 hour from Lethbridge.

The lot is located directly above a natural beach and is bordered on one side by a walking path. Mature spruce trees have been established on the edge of the property.

This year-round lake community boasts pristine beaches and well maintained parks and common areas. The private boat launch and dock make this resort perfect for fishing, boating, and water sports. Skating and ice fishing round out the year round activities. Call us at 403-529-7659 for more information.
